

# Tell Us: Housing in Littleton

Join us for a public forum about the kind of housing Littleton needs and where

**Tuesday, June 3, 2014 | 6:30–9:00 p.m.**

Littleton Middle School, Cafetorium  
55 Russell St. | Littleton, MA 01460

*Presented by the Town of Littleton Housing Committee in partnership with the Metropolitan Area Planning Council (MAPC)*

## Why a Housing Production Plan for Littleton?

MAPC is working with the Town of Littleton to develop a Housing Production Plan (HPP) that will guide market-rate and affordable housing type and location in the community. An HPP will help the Town meet the State-mandated affordable housing target and gain access to State funding. For more information, please visit [www.littletonma.org](http://www.littletonma.org).

## Meeting Agenda

We are seeking the public's input to better understand the local housing issues that will inform development goals and strategies. Please join us for a presentation and discussion about:

- The Housing Production Plan as a tool to maintain and increase affordable housing opportunities in Littleton
- Local housing needs and demand
- Barriers to achieving housing affordability goals
- Successful housing strategies already in place on which Littleton can build
- Potential sites for new housing development
