Scholarship Background, Goals and Selection Criteria

The *Frank M. Kimball Second Scholarship Fund* was established by H. Vincent Couper, a resident of Littleton, prior to his death, who wished to honor his uncle who established the first Frank M. Kimball Fund. It is for the benefit of citizens of Littleton who have resided in Littleton for a minimum of two years, have graduated from a high school and have the desire or need to go on to advanced studies. It is intended to include those who have been working for some time as well as those who are recent or soon to be high school graduates. Awards from the Frank M. Kimball Second Scholarship Fund may range from \$500 to \$2,500.

The *John C. and Eunice B. Morrison Charitable Foundation Scholarship Fund* (Morrison Fund) seeks to establish a college and vocational institutional scholarship program for residents of the Town of Littleton who are graduates of Littleton High School, Nashoba Valley Technical School, or other secondary schools of the Town of Littleton, who wish to continue their education at a college, university, or vocational training program of their choosing. Recipients shall be selected on the basis of scholarship and financial need, which is to be considered, but not necessarily the governing factors, in making the awards. A limited number of \$5,000 awards will be made from the Morrison Fund.
