RE: G7 Lab LLC Amendment to hours of operation

At the Select Board's September 8, 2020 meeting, the Board and Mr. Shankar Gautam discussed a request to amend the hours of operation detailed in the executed Host Community Agreement executed by the Town and G7 Lab LLC dated February 10, 2020.

Section 13 of the Host Community Agreement allows for "Amendments or waivers of any term, condition, covenant, duty or obligation contained in this Agreement may be made only by written amendment executed by all Parties, prior to the effective date of the amendment."

Mr. Gautam requested the Select Board support the amendment of hours of operation to allow Laboratory Operations and Staffing 24-hours per day, and that Business Operation be from 6:00 AM to 8:00 PM for customer drops of samples. Mr. Gautam stated to the Board in the form of an email that these changes in operation would align with recent licenses issued by the Cannabis Control Commission and maintain the competitiveness of their operations.

The Board voted to support the amendments and requested the Interim Town Administrator work with Town Counsel and Mr. Gautam to prepare a formal Amendment to the HCA. The Board also supported notifying the Planning Board of their support for these changes for consideration in G7 Lab's application.

Should you have any questions, please feel free to contact me or Joseph Laydon, Interim Town Administrator.

Thank you.
