**Subject:** Comment for Planning Board Meeting June 2 Hager-Homestead

**\*\*THIS EMAIL WAS SENT BY AN EXTERNAL SENDER\*\***

Good afternoon,

I was planning on attending the June 2, 2022 planning board meeting so that I could show my support the the Hager-Homestead project but unfortunately I am unable to attend in person and am hopeful that you can pass along my comments to the board before the meeting that is scheduled for this evening.

I would like to express my support for the requested expansion of the Hager-Homestead Senior Co-Housing Senior Community by 2 units. I believe that the good would out way the bad in supporting our 55+ population within the community with housing but more importantly a sense of community embraced by Littleton as a whole. This act would again establish our wonderful town as a leader for other communities to follow while helping improve the lives of our friends, family and neighbors. I don't believe the addition of the two additional units that are being requested will negatively impact Littleton at all but the rejection of the proposal will have an effect on our seniors that are deserving of better and affordable housing in our community. I recommend that the planning board vote to accept the Hager Homestead 2022 amendment.

Thank you for your attention in this matter
