Good afternoon Maren and Linda,

This morning there was a request for the names of the building movers/shoring companies that have been talked to regarding the shoring of the building during renovations.

These names have been provided by the General Contractor.

Here are the contractors who have reviewed the structure:

Isaac Blair: Boston, MA. Big shop, union, oldest in the business. Deal with historical buildings everyday

HD Structural: local, specializes in old wood buildings

Stan's barn moving: moved the barn, specialize in old houses all over
