Thanks for email comments on the 550 King Street application. I will pass it along to the Planning Board as input for the continued Public Hearing on May 5 for the PB members to consider.

Thanks again,  
Maren

Hi Maren,

Do you know if this tree which some believe pre-dates the Civil War will be chopped down?  
A concerned citizen noticed it was not included on renderings & public pressure is mounting. I usually work on bigger projects but wanted to guide them. I too prefer trees to concrete, pollution & traffic. I'm assuming Lupoli can do whatever he wants?
