Subject: SpringDell Farm special permit

****THIS EMAIL WAS SENT BY AN EXTERNAL SENDER****

Dear Planning Board members:

I am writing in support of allowing SpringDell Farm to acquire a Special Permit to conduct business in support of maintaining a working farm. I have lived in this town for 13 years and have always been impressed by the pride local people take in Littleton's past and current agriculture. Approving a Special Permit for SpringDell Farm would allow this wonderful working farm to continue what they do best: producing local food that is far superior to anything available in a grocery store.

Thank you.
