Subject: SpringDell Farm permit

****THIS EMAIL WAS SENT BY AN EXTERNAL SENDER****

As a resident of Littleton and customer of SpringDell Farm, I want to offer my support for the farm's expansion. The plan to add non-food compost to their services will not impact their neighbors. And SpringDell will be able to increase the size of their farmland. We need more farmland - not less! Please grant their permit request so this treasure of a business can continue to contribute to our community.

Thank you,
Jodi MacDonald
