Subject: 571 Great Road - SpringDell Farm Accessory Business Use at Active Farm

Hi All –

The Planning Board has received an application for Accessory Business Use at Active Farm for 571 Great Road/SpringDell Farm. Application is posted to the PB's project page: <https://www.littletonma.org/planning-board-projects/571-great-road-%E2%80%93-springdell-farm>

The applicants are looking to reclaim a significant portion of the farm's land area by moving the existing compost area, and adding stump grinding, mulch and topsoil, and limited seasonal rock crushing in designated areas shown on the plans. It appears to the Planning Board that this activity is exempt from the requirements of the Stormwater Bylaw under Section 38-14 A. 1. which exempts normal...improvement of land in agricultural....use.

Please review and provide any comments at your earliest convenience. The Public Hearing is scheduled to resume on October 25 – my apologies for being late in getting this to you for comment.

Thanks,

Maren
