**Subject:** Spring Dell Farm

**\*\*THIS EMAIL WAS SENT BY AN EXTERNAL SENDER\*\***

I would like to add my support to the request for Spring Dell Farm to allow non-food composting. The farm is an asset to Littleton and it would be a major loss if the land was sold for development. I think the owners should be encouraged in their desire to find a new source of revenue in order to continue to operate the farm.  
Thank you for your consideration.
