Variance

Under MGL c. 40A §. 10

The undersigned hereby petitions the Board of Appeals for the Town of Littleton to vary, in the manner and for the reasons hereinafter set forth, the applicable provisions of the Zoning By-law.

1. Specifically, from what Zoning bylaw section are you seeking relief? 173-10 B
2. Why are you seeking relief from a literal enforcement of this Zoning Bylaw?
Attach a written statement that specifically describes existing conditions and your objectives, along with plans, specifications, certified plot plan and any documentation necessary to support your request.
3. Show evidence that you meet the minimum requirements of a variance under section 173-6 B (2) of the Littleton Zoning Bylaws.
Attach a written statement which specifically includes why, owing to conditions (soil, shape, or topography) especially affecting the premises, but not affecting generally the zoning district in which it is located, a literal enforcement of the Zoning By-law would result in a substantial hardship to you. Applicant must clearly demonstrate the lack of alternative remedies.
4. *I hereby certify that I have read the Board of Appeals Instructions for petitioners and that the statements within my petition and attachments are true and accurate to the best of my knowledge and belief.*

Hi Michelle

I am in receipt of your letter regarding the parking of commercial vehicles at my residence along with the 2 accessory structures.

I will be moving the commercial vehicles from my residence to my shop, aside from 1 one ton dump truck, which I will be using to commute to and from my shop.

I also will be bringing in plans showing set backs from both accessory structures and applying for the necessary permits and or variances.

Please feel free to call or email if you have any questions.

Thank you
