**Chapter 138, PLANS, FILING OF**

**§ 138-1. Electronic Files.**

To facilitate maintaining the Town of Littleton's records, for example the assessor's tax maps, an electronic file (the "standard digital file") of definitive subdivision plans and plans for which approval under the subdivision control law is not required pursuant to G.L. c.41, §81P shall be filed with the Planning Board within 15 business days after endorsement. The standard digital file shall comply with Level III of the current version of the MassGIS "Standard for Digital Plan Submission to Municipalities" (hereafter "the standard"), available on the Internet at <http://www.mass.gov/mgis/standards.htm>. The standard digital file submitted must comply with Level III of the standard, and the vertical datum shall be the North American Vertical Datum 1988.

Upon written request, the Planning Board may waive the requirement for submitting the standard digital file or for complying with Level III of the standard. In place of the Level III requirement, the Planning Board may allow submission of a standard digital file that complies with Level I. Any request for a waiver must include a statement as to why submitting a digital file is not possible or why the requirement should be for Level I of the standard.
