6. Methods of stormwater control and treatment as outlined in the Town of Littleton Low Impact Design/Best Management Practices Manual (latest edition) are utilized to the maximum extent practicable;

CONFORMANCE WITH GOALS OF THE LITTLETON MASTER PLAN:

Redevelopment and reuse of the 12 Robinson Road site meets several goals outlined in the 2017 Master Plan, including:

#12. Planned Growth: Allow greater density in recognized activity areas, near the train station, around the Common, and in older industrial or commercial areas where redevelopment opportunities exist.

#16 Thriving Town: Ensure new development, and redevelopment, is sited and design in such a way that is consistent with the character of the zoning district and location with in Littleton.

VOTE:

Mr. Harvey made a motion that the Planning Board **approve** the Site Plan as presented under the Code of the Town of Littleton Zoning, Site Plan Review and Village Common Articles, seconded by Ms. Laterzo.

The Board voted 4 to 0 in favor of this motion (Hueston abstaining).
