

Waiver Request Form

First Name*

Corey

Last Name*

Godfrey

Date*

11/6/2023

Map/Lot*

R10-14/1

Project Address*

Whitcomb Avenue & Taylor Street

Project purpose and need*

The proposed project includes the construction of a new water supply well for the Littleton Electric Light & Water Departments (LELWD), connection of the new water supply well to a WTP in Littleton via a raw water transmission main, construction of a finished water main from the LELWD system, and the construction of a new access road to bring a treated water supply to the Town of Boxborough.

In order to request a waiver, this provides a guidance for required information

Attach additional text, plans, photos, or graphics if needed

Choose File No file chosen

What specific action(s) is the waiver being asked for?*

Disturbance within 50' No Disturbance Area

How is the action(s) in the public interest, necessary to prevent a safety hazard or water dependent?*

It is proposed to bring treated water supply to the Town of Boxborough.

How is the action(s) consistent with the intent and purpose of the bylaw?*

The proposed project is within the buffer zone of a wetland resource area and therefore under the jurisdiction of the Conservation Commission.

Existing and proposed site conditions (ie, impervious, lawn & disturbed areas) (square feet;show on plan)*

Yes, see attached document.

Existing and proposed distances of land uses from wetland resource areas (show on plan)*

Yes, see attached document.

Analysis of less environmentally damaging practicable alternative*

Yes, see attached document.

Proposed short term and long term protection of wetland resource areas*

Erosion controls including erosion control blankets, compost filter tubes, and silt fence to protect wetland resource areas. Compensatory storage will be used to compensate for additional fill in the flood zone. see attached project description for more information.

Is the site in a Zone I, II, or III (groundwater) or Zone A, B, or C (surface water) water supply area*

Yes, the entire area is Zone II groundwater.

Are there critical, unique, or sensitive resource areas in the area (ie, NHESP mapped habitat, vernal pools, unusual wetland types, cold water fisheries, outstanding resource waters, core habitat, conservation land, etc); show on plan*

See attached map.

Other factors for consideration

Electronic Signature Agreement*

By checking the "I agree" box below, you agree and acknowledge that 1) your application will not be signed in the sense of a traditional paper document, 2) by signing in this alternate manner, you authorize your electronic signature to be valid and binding upon you to the same force and effect as a handwritten signature, and 3) you may still be required to provide a traditional signature at a later date.

I agree.
