Maren,

I reviewed the narrative and the preliminary plans for this site; it appears to be just a division of land at this point. Based on the information provided, I do not believe there is anything for the Board of Health to comment on at this time.

Thanks,

Jim

Brenda, please forward to Board of Health members.

Hi All –

Property owner at 245 Foster Street has applied to the Planning Board for preliminary subdivision approval for a 2-lot Industrial Subdivision. (No detailed development proposal has been submitted, the current plan is to create the new lots.)

Plans and application materials are posted to the Town website:

<https://www.littletonma.org/713/245-Foster-Street>

Any comments appreciated before Dec. 1, 2023.

Thank you!

Maren
