The Littleton DPW personnel are the duly authorized representatives of the Select Board tasked with the operation of the Transfer Station. They are expected to use common sense, diplomacy and considerable discretion in carrying out their duties. The attendants enforce the policies and procedures that the Board of Selectmen have established to operate a safe and efficient facility. Your cooperation with the attendants in carrying out their duties would therefore be appreciated.

Adopted by The Select Board May 12th, 2025—Effective Date July 1, 2025

Residents may purchase stickers at the **Transfer Station or online thru UniPay**. Stickers are sold daily until one half hour before the posted closing time. Stickers are sold on an annual basis. When purchasing a Transfer Station Sticker, residents must bring their vehicle registration as well as proof of residency.

Note:

Stickers entitle users to dispose of routine household residential refuse.

Stickers must be affixed to the lower left hand portion of the windshield at the time of purchase. Access to the Transfer Station can be denied if the sticker is not affixed.

Fees for Miscellaneous Items entitle users with stickers to dispose of non-routine items on a periodic basis. In certain circumstances the user may be asked to identify the source of the non-routine item in order to be permitted to dispose of the item.

A pickup with a "load" is understood to be substantially full. The Attendant's judgment shall be final in this matter.

The Attendant shall have the option of temporarily restricting the use of the Transfer Station due to operational or space problems.

Users may purchase stickers or pay fees at the Transfer Station with checks or credit cards. No cash will be accepted at the Transfer Station for Security Purposes.

The appropriate fees will be collected for those items set out in the Transfer Station Fee Schedule regardless of whether the item is left in the swap shop or is to be discarded.
