\*\*THIS EMAIL WAS SENT BY AN EXTERNAL SENDER\*\*

Good morning,

I live on 3 Jane's Dr Littleton adjacent to the power lines. I received a letter about the national grid permit for project. I would like to know specifically how this will affect my property, and most importantly- if the project involves replacing the power line towers, I strongly ask for the two towers located on my property to be moved OFF/away from my property in the ample scacing adjacent to my property.

I look forward to hearing from you

Thanks

Lou Glantz
